This apportionment, in the amount of \$6,842,778, has been made from funds provided by Item 6110-232-0001 of the 1999 Budget Act (Chapter 50, Statutes of 1999). This apportionment provides incentive funding to each participating school district to reduce class size to an average of 20 students to 1 teacher in one subject (English, mathematics, science, or social studies) in tenth, eleventh, or twelfth grade classes pursuant to *Education Code* Section 52084.

Each participating school district must submit a fiscal year 1999-00 J-9 MH-A, "Report of Enrollment" to report that the district implemented the program in fiscal year 1999-00 and maintained a district average of no greater than 20 students to 1 teacher for the participating grade and subject.

Warrants will be drawn on the State Treasury by the State Controller in favor of the county treasurers in the amounts specified on the enclosed schedule.
